

Western Technical College
Bachelor of Science in Nursing Program
Admission Application Package

We appreciate your interest in the Bachelor of Science in Nursing (BSN) program at Western Technical College. Prospective students must apply for admission to the BSN program and expected to fulfill all admission requirements.

Admission Requirements:

- Applicant must be at least 18 years of age
- Official high school transcript must be received by the college to process the application. Prospective students could present a copy of high school transcript for initial evaluation, but the application will not be processed until an official transcript received.
- The minimum acceptable high school GPA is 2.75
- Applicant must submit official transcript from colleges attended (if any), in order to get college transfer credit, where it is applicable. Transfer credits to be admissible, must have been completed within the past 5 years with a grade of B or better.
- Each applicant must pay a non-refundable application fee of \$100.00.
- The applicant must achieve a minimum score of 60% in all 4 areas (Reading, Math, Science & English) of the Test of Essential Academic Skills (TEAS) exam.
- Applicant must have a clean FBI criminal background check to be accepted into the nursing program.
- The applicant must be able to satisfy, with or without reasonable accommodation, the physical, mental and sensory requirements listed in the student health form.
- Applicant must provide a complete health clearance from a healthcare provider
- The applicant must pass the drug screen test with negative result
- Immunization requirements include measles, rubella, varicella, hepatitis B, Tdap, TB test (QuantiFERON TB Gold In-Tube), and seasonal flu shots must be completed
- The applicant must pass an admission interview with the Nursing Dean or designee prior to admittance to the program

Meeting minimum requirement does not guarantee admission to the BSN program. Applicants with strongest score on admission requirements will be selected.

Upon successful completion of all admission requirements, the school will promptly notify the student whether he or she is admitted into the nursing program. If the number of qualified applicants for admission to the BSN program exceeds the space available in the program, applicants will be ranked based on the composite score each applicant received on the TEAS Exam. Students accepted to the nursing program have to meet the requirements established by WTC's nursing program, admission policy. Applicants should comply with all required eligibility information and policies of TBON Rule 215.8 to be accepted to the nursing program. The admission policies are included in the College Catalog and the Student Handbook.
