El Paso, TX 79924**

ADMISSION REQUIREMENTS AND CHECKLIST

- Applicants wishing to apply for the BSN program are advised to contact an admission's representative to begin the admission process.
- Applicants must be at least 18 years of age by the start of the program.
- Official high school transcripts must be received directly from the high school or school district, with a 2.75 GPA or higher, and sent to the Dean of Nursing to process the application. Prospective students may present a copy of their high school transcript to the admissions representative for initial evaluation, but the application will not be processed until an official transcript is received.
 - A GED certificate with scores will be accepted in lieu of a high school transcript.
 - The completion of 12 semester credit hours or more at a post-secondary level will be accepted in lieu of high school transcript if they have a 3.0 GPA or higher. The official transcript must be from an accredited school recognized by the Department of Education.
 - Official transcripts must be received directly from the school through registered (postal) mail or email.
- Applicants must achieve a minimum score of 60% in Reading, 60% in Math, 60% in English and a minimum of 50% in Science of the Test of Essential Academic Skills (TEAS) exam. Applicants may register to take the TEAS exam at www.atitesting.com. Applicants must provide TEAS results to admissions representative if taken at other institutions.
- Applicants must submit a copy of the Western Technical College receipt of payment for the application fee. This is a non-refundable application fee of \$100.00. Admissions representatives can direct applicants to the Student Accounts office for payment. **DO NOT SEND ACTUAL PAYMENT** with your application as it will not be accepted.
- The applicant will be provided a health form, which must be completed and returned to the admissions representative. Applicants must be able to satisfy the physical, mental, and sensory requirements listed on the student health form.
- Applicants must pass a drug screening test and an FBI criminal background check to be accepted into the nursing program.
- Applicants will do an onsite essay and go through a panel interview.
- College transfer credit.** Applicants who wish to have their previous education considered for credit must do so prior to being accepted and prior to starting the program. Students who took general education

coursework over the last ten (10) years, may be given course exemption credit provided that the grade(s) earned are a “B” or higher.

Student that had taken nursing related science courses (A & P, Microbiology, Chemistry, and Pathophysiology) during the last 5 years, may be considered for course exemption credit, if they earned a “B” or better grade on the course. The exemption for these science courses is only for financial credit and students must retake the course at WTC and pass it successfully. Course credit will be evaluated on a course-by-course basis for compatibility and WTC’s BSN program reserves the right not to accept incompatible course credits.

- Official transcript(s) will be required and must be received prior to starting the BSN program.
- ***Please note:*** Official transcript(s) must come directly from the college, where the course was taken and sent directly to WTC.

ADMISSION PROCEDURES

- 1.) Applicants must complete the “*Application for Admission*” form and submit the completed application to start the application process.
- 2.) Applicants who meet the minimum requirements listed above will be invited for an interview.
- 3.) Applicants will be admitted into the BSN program based on a point system that accounts for the complete application, educational background (GPA), program entrance exam (TEAS), essay, and interview.
- 4.) A maximum of 30 students will be selected for admission into each cohort. Several alternates may be selected to fill available seats in case an applicant decline his/her acceptance into the program or did not complete the requested requirements on time.

Application deadline is **August 31, 2022**. Applicants who submit incomplete and/or late applications (postmarked or delivered) after the deadline date must reapply for the next application cycle.

The anticipated start date for upcoming class is **October 17, 2022**.

ACCEPTED students will be required to complete the following PRIOR TO THE START OF CLASSES.

Signature agreement to the following forms: Health Examination clearance from a healthcare practitioner, Consent for Laboratory Activities, Consent to Participate, receipt of Crime Awareness Program form, Drug-free Schools Student Statement, Software Policy, Student Media Release, Professional Dress, receipt of WTC Student Handbook, receipt of BSN Addendum to the WTC BSN Student Handbook, and other forms as requested.

ACCEPTANCE INTO THE BSN PROGRAM

Acceptance into the BSN program will be based on several criteria and ultimately on the score that will be determined based on your overall application packet (all the components of your application). Each component of the application packet will be ranked. Applicants with the highest cumulative scores will be offered seats in the program (up to the maximum number of seats available) if all criteria are met and there are no extenuating circumstances that may preclude an applicant from acceptance (see the WTC catalog for “Technical Standards” for the BSN program). Cumulative points, or overall scores, for each application are confidential.

Entrance into the BSN program is a competitive process, and the application or meeting minimum requirements does not guarantee admission into the program. Upon successful completion of all admissions requirements, the school will promptly notify the applicant whether he/she is admitted into the nursing program. If the number of qualified applicants for admission to the BSN program exceeds the space available in the program, applicants will be ranked based on the composite score each applicant received on the TEAS Exam. Applicants accepted to the nursing program must meet the requirements established by WTC’s nursing program admission policy. Applicants must comply with all required eligibility information and policies of TBON Rule 215.8 to be accepted to the nursing program. The admissions policies are included in the college catalog and the student handbook.
