Welcome to Western Technical College

Preparing students for careers is what we do every day. Our real –world approach to education is one of the many reasons Western Tech alumni find success in their careers. We are always looking for ways to make your education more than just words in a book.

We have worked tirelessly to create an atmosphere where students can succeed and where they have a sense of belonging. In the end, our entire staff will always do what is best for you, the student.

Family-owned and operated for three generations, forty-nine years ago, Western Tech College began as a place where people could learn how to take their passion and turn it into a career they love. What is special about Western Tech College is the way in which we will help you achieve your goals- a combination of hands –on experience, traditional classrooms work, and industry- specific career development.

Be Prepared

Preparing students for careers is what we do every day. At Western Tech, you will learn from the best! Our Instructors present our students with real world experience. It is this experience, combined with state-of – the-industry facilities and equipment that will prepare our students with relevant skills sets that will be applicable the first day on the job. The few months that you invest in your education today will set the stage for the decades of working life to come. We truly believe that our people make the difference.

Your Passion, Our Education, Your Success
